# Terms and Conditions of Sale

All goods are guaranteed against faults for 12 months from date of invoice. Faults should be notified to RNIB Customer Services prior to return, who will issue a returns authorisation number (RMA).

Goods can be returned as 'unsuitable' within 30 days of delivery, as follows:–

- i) Customer must contact RNIB Customer Services to obtain a returns authorisation number (RMA).
- ii) Items must be returned in original packaging and condition.
- iii) Goods must be marked 'Returns' and must show the authorisation number.
- iv) Goods lost in transit will only be refunded on proof of postage.

Goods marked as 'non returnable' in the RNIB catalogues cannot be returned for hygiene reasons – unless faulty, and software products whose seal have been broken cannot be returned unless faulty.

Where goods are sold to organisations, who then sell on the goods, the guarantee will commence from the date of original purchase from RNIB.

None of the above terms and conditions affect your statutory rights.
